Hi, Lorie -

I know you won't be in the city until today, but I thought I would update the letter with different dates - June 21 & June 22 - so all you would need to do is select the date of the meeting, sign, scan and send it.

Once again I am very grateful for your assistance!

Mariann Karish, M.A.

Thank you all so much!

I'm already working with the Daily Breeze to get this in the paper.
