The Star-Spangled Banner

O say, can you see
By the dawn's early light
What so proudly we hail'd
At the twilight's last gleaming.

Whose broad stripes and bright stars
Through the perilous fight
O'er the ramparts we watch'd
Were so gallantly streaming.

And the rocket's red glare
The bombs bursting in air
Gave proof through the night
That our flag was still there

O say, does that star-spangled banner yet wave
O'er the land of the free
And the home of the brave.

God Bless America

God bless America, land that I love
Stand beside her and guide her
Through the night with the light from above
From the mountains to the prairies
To the oceans white with foam
God bless America, my home sweet home
God bless America, land that I love
Stand beside her and guide her
Through the night with the light from above
From the mountains to the prairies
To the oceans white with foam
God bless America, my home sweet home
From the mountains to the prairies
To the oceans white with foam
God bless America, my home sweet home
God bless America, my home sweet home
