Hello, Wilmington Cemetery Board -

Amazingly, another year has rushed by and its time to begin the Wilmington Cemetery Assessment process once again.

I am preparing the paperwork for the Wilmington Cemetery Assessment and need to know dates for your June, July and August Board meetings, please.

June isn't likely - the letter needs to be prepped, signed, a submission needs to go to the Daily Breeze, they set it up for publication and then it must be posted in the paper for 2 weeks *prior to* the meeting per legal requirements.

If I remember correctly, you meet the first Wednesday of each month. Will you be meeting on Wednesday, June 7th, July 5th and August 2nd?

The letters must be processed as soon as possible because one of those letters is the base for the LA County assessment. There is also a huge data dump our computer wiz' download and about 5 forms for the LA County to be done before we can even start to upload the data into the LA County assessors website. The deadline is at the beginning of July.

I will be attending a family event beginning June 1st and will return on June 12th and Memorial Day is on May 29th.

Please let me know if you have any questions.

Thank you!
