Hi Mariann

I'm sure we can work something out and get what you need so we can proceed and put this in motion. I'm in the middle of something now and getting ready for an event and I have personal things as well I'm doing in the process. So give me till next week to put everything in motion and get back to you on Monday 5/20/2024 by email.

Please update your records Sergio Carillo is no longer with the Wilmington Cemetery, Loraine Geluz is the President as you already know. I handle the business, legal, secretary and website end.

Please keep in touch. Last year there was a miscommunication or misunderstanding about showing up for a meeting or something.

Ill be in touch with you and cc Lorie as well .
